BRICK BY BRICK: BUILDING BLACK SPACES FOR GENERATIONS

Now, more than ever, we must take ownership of our communities and our future. The Brick by Brick Fund is more than an investment—it is a declaration that Black spaces matter. It is a commitment to ensuring that Black people have places where we can gather, celebrate, and thrive on our own terms.

BLACK: A Festival of Joy is more than an event—it is a sanctuary. A space where Black joy is unapologetically centered, our collective power is fortified, and our future is built with intention. The Brick by Brick Fund is the heartbeat of this vision. It is a call to build, sustain, and protect spaces that are by us, for us.

WHY YOUR INVESTMENT MATTERS

Every dollar contributed to the Brick by Brick Fund helps secure, sustain, and expand Black spaces—places where culture is honored, businesses can flourish, and future generations will always feel at home. Whether you're an individual who believes in the power of Black joy or a business owner who understands the importance of economic empowerment, your support fuels a movement that will stand the test of time. This is not charity—it is community architecture. Every brick laid is a declaration: We are here. We are building. We are ensuring that Black joy remains unshakable.
